

The below questions were submitted on June 22, 2023, at 10:21a.m. via email:

“Through this medium i am kindly seeking further information and clarification regarding the commission to be paid to the Master Agents by GOB. How is the commission derived at. is it a percentage of the sales. Please clarify.

Additionally, does the operation expenses includes only the expenses incurred by the Master Agent:

Kindly let me know if there is any other relevant information regarding the above-mentioned that you would like to share with us that would facilitate us in finalizing the Financial Proposal in a timely manner

We look forward to hearing from you at your earliest.”

The commission to the Master Agent is a percentage of the gross sales which will cover, expenses, payment of winnings and prizes, and profits within its geographic zone.

The operational expenses should be only expenses incurred by the Master Agent.

If you have any other specific questions, please feel free to contact us and we will respond accordingly.
